

Essential Oil

ALBA NUSANTARA COMMODITY supplies a selected range of Indonesian essential oils derived from natural botanicals and produced through controlled distillation processes. Our essential oils are handled with a focus on purity, consistency, and alignment with industrial and commercial specifications.

Our Products

- Citronella Oil (Sereh) — Fresh citrus aroma, used for fragrance & insect repellent
- Patchouli Oil (Nilam) — Deep earthy scent, strong fixative for fragrances
- Cajuput Oil (Kayu Putih) — Pharmaceutical & personal care applications
- Crude Eugenol (Clove Leaf/Stem) — Chemical & pharmaceutical processing

Specifications

- Origin: Various regions across Indonesia
